1. EXPLANATION OF THE PROGRAM RISKS

I, the undersigned, being of sound mind, understand that Furman University offers guest access for the purpose of exercise at the Herman W. Lay Physical Activities Center. I consent to voluntarily engage in an acceptable plan of personal fitness training. If I am taking prescribed medications, I have already so informed the staff and further agree to so inform them promptly of any changes my doctor or I make with regard to the use of these during exercise. In a maximal bout of fitness, approximately 2.5 in 10,000 chances of adverse symptoms exist with the odds of a more serious event such as a heart attack approximately 1 in 10,000.

I have been informed that during my participation in any exercise program, I should cease activity if symptoms such as fatigue, shortness of breath, chest discomfort, or similar occurrences appear. I also understand that it is my obligation to inform the personnel on duty in the Physical Activities Center of my symptoms. I hereby state that I have been so advised and agree to inform the personnel of my symptoms, if any, develop.

I understand that the Fitness Center staff may stop my exercise program if there is any indication that termination of my exercise should be done for my safety and benefit. I also will adhere to the policies and guidelines of the PAC and have read the FFC policies and guidelines on the reverse side of this page.

2. BENEFITS TO BE EXPECTED

Participation in the exercise program may or may not benefit me directly in any way. Regular adherence to a program should increase your overall physical fitness and well being; however, other factors such as eating habits, stress and activity outside of this program may also influence the possible benefits.

3. INQUIRIES

Any questions about my exercise program are welcome. If I have doubts or questions, I can ask Fitness Center staff or the Fitness Center Director for further explanations.

4. FREEDOM OF CONSENT

Guest access in the Herman W. Lay Physical Activities Center is voluntary. I am free to deny consent if I so desire, both now and at any point during the course of my visit.

I have read this form and consent to participate in this program voluntarily. In addition, I agree to inform the Fitness Center Staff or the Director of any future medical conditions or medications which may affect participation in physical activity. I also agree to adhere to policies and guidelines of the Herman W. Lay Physical Activities Center. Furthermore, I understand that I may not hold Furman University or any of its employees or students liable for any injury or accident which may occur during or as a result of the visit in the Herman W. Lay Physical Activities Center. Lastly, I give the staff of the Herman W. Lay Physical Activities Center permission to administer basic first aid in the event of the emergency.

Bridges to a Brighter Future
Understanding of Student Behavior Guidelines and Dress Code

I, _____ and _____ have thoroughly read and
(print student's name) (print parent/guardian name)
understand the Bridges Student Behavior Guidelines and Dress Code that have been set forth in the Bridges Summer Handbook. I agree to follow the behavior and dress guidelines and understand the consequences of not following one or more of the guidelines.

I understand that I am required to make program staff aware of any behavior, action, or situation that is in violation of the behavior guidelines.

I understand that the program operates under "just cause" and the legal philosophy that "the hand of one is the hand of all." I understand that a Bridges student's residence hall room could be searched and/or entered without notice if there is "just cause."

Definitions:

Just Cause- A Bridges counselor, faculty, or staff have reason to believe that a behavior guideline, rule, illegal and/or inappropriate behavior has occurred or is occurring.

The Hand of One is the Hand of All- This means that even if you did not engage in breaking behavior guideline, rule, illegal and/or inappropriate behavior, but you were there when the incident occurred, then you could also be found guilty.

I understand that the Bridges staff, instructors, and counselors will implement consequences using their best judgment and appropriateness for the negative behavior.

**Understanding of Program Progress Reports and
Continuation in Bridges to a Brighter Future**

Students will bring home a two-week progress report at the midpoint of Bridges Foundations. At that time, the faculty and counselors will report on students' behavior in and out of the classroom. At the end of the four weeks, students will be mailed a final report regarding progress in and out of the classroom.

Students' behavior in and out of the classroom will determine if the student is invited to participate in Bridges the next academic year. Participation is not guaranteed. The behavior of students in their third year of Bridges will determine if they graduate from the program, attend Crossing the Bridge, are provided a letter of recommendation, or use Bridges on college applications.

I, _____ and _____ have read the above and
(student's name) (parent/guardian name)
understand that my behavior in Bridges to a Brighter Future, including, on the residence hall, in program activities and in the classroom will determine whether I am invited to participate in Bridges for the second/third year, graduate from Bridges, or benefit as a Bridges graduate.
